HAS FOUND THE STONE

Buffalo Quarry Rock to Finish St. Andrew's.

Robert Catton of Catton, Neil & Co. of this city, who is now in the East on business, and holds a commission from Bishop Restarick of the Episcopal diocese, has made a contract with a Buffalo firm to supply the necessary stone to complete the St. Andrew's Cathedral. Mr. Catton took samples of the stone of which the Cathedral has been partially built, to match it if possible, on the mainland.

Evidently stone has been found in or near Buffalo quarries which will match the English stone.

The stones will be dressed and cut and sent to Boston or New York for shipment around the Horn to Honolulu.
